ABOUT GLS UNIVERSITY

The zenith value of GLS University is to provide an ideal and innovative learning environment and continue the tradition of excellence in the education of the sponsoring body of the University, viz... Gujarat Law Society (GLS). GLS established in the year 1927, is one of the largest and oldest educational institutions in the state of Gujarat. GLS was promoted by luminaries Sardar Vallabhbhai Patel, Shri Ganesh Mavlankar, the first Speaker of the country, and Shri I. M. Nanavati with the vision of Excellence in Education. GLS University was established in April 2015 under Gujarat Private University Act-2009. In a short span, GLS University has become a Prestigious University with 15,000+ students 10+ departments, and 30+ programs in diverse disciplines like Business Management, Design, Law, Computer Application, Engineering, Commerce, Performing Arts, and Research at Undergraduate and Post Graduated levels which provides enhanced learning experiences through their excellent academic quality, well-equipped infrastructure, innovative teaching methods, creative curricular design, experienced faculty, and industry-oriented programs.

GLS University is a modern organization that retains the cultural & heritage values of providing a creative learning environment in a manner that is nationally entrenched, regionally recognized, and globally relevant. GLS University is a safe and inviting space with student-centric infrastructure located in the heart of Ahmedabad. Within the lush green campus of the University, students avail all the facilities of learning and recreation such as modern classrooms, computer labs, library, indoor and outdoor sports areas, gym, seminar halls, auditorium, canteen, and so on.

With its heritage in Gujarat's pioneering education field, GLS University has been an innovative force in education for many years. Our strong relationships with industry and impeccable career services complement high-quality teaching to ensure GLS students gain the knowledge and skills they need to match their ambition. Our academicians are experts in their fields and driven to deliver research that makes a meaningful social and environmental impact on the nation.

GLS University is also known as an education hub with liberal thoughts and rigorous learning along with policy from NEP - 2020. We offer flexible entry-exit options in relevant programs and also a dual degree program to accelerate the multi-discipline approach for students. GLS University also aligns with an industry-oriented curriculum and offers an industry apprenticeship program through various corporate collaborations which leads the university to focus on experiential learning.

Our new strategic plan is supported by three key pillars which provide a foundation for GLS University to focus on and expands over the next 10 years through meeting societal needs; expanding GLS University's global presence; and promoting skill-based education.

GLS University offers students a high-quality educational experience that prepares them for success in life, as well as research that addresses society's most persistent challenges. Our creation and transfer of knowledge contribute every day to our country's global competitive advantage and make the world a better place.

REFLECTIONS - ACCOUNTING & FINTECH INTERNS
Bridging Theory with Real World Experience

Securing an internship in the first year of the fintech program has been an invaluable experience for me. Not only did it provide me with hands-on exposure to the dynamic world of financial technology, but integration of subjects like FinTech, Business and Technology and Digital Fluency also allowed me to apply the theoretical knowledge gained in the classroom to real-world scenarios

- Mr. Vishal Bhootra

Through hands-on experience with cutting-edge tools and techniques in on Advanced Excel for Analytics as well as Statistics for Business Analytics, I gained a deep understanding of how to manipulate and interpret complex financial data. This proficiency not only impressed potential employers during the internship application process but also gave me a competitive edge in tackling real-world challenges within the fintech industry.

GLS - Faculty of Commerce provided an incredible journey. Friendly faculties fostered holistic growth. Beyond academics, they pushed me to excel. Abundant placement opportunities led to my first job at PWC post-graduation.

ADITYA DHAKAN

Cloud Consultant – SEARCE

Opting for GLS University's Faculty of Commerce for my bachelor's was a decision I cherish. It's more than an institute; it's a nurturing environment where faculty support felt like family. Thanks to their guidance, I secured an opportunity at Searce and remain connected even as an alumni.

ABHAY BHATT

Accounts Executive – IMS – Interactive Manpower Solutions.

I'm deeply grateful for the support in securing my placement at IMS - Interactive Manpower Solutions. The practical insights from Khistij- A Career Carving Cell at the Faculty of Commerce were instrumental. I credit much of my success to the institution's comprehensive curriculum. Thank you for your unwavering mentorship.

School of International Studies - Global Programmes

The Global Programme is a program designed to help students prepare for undergraduate or graduate studies at universities in the worldwide. The program is offered by several Foreign Universities and colleges and aim to provide students with the necessary skills and knowledge to succeed in their academic studies.

Upon successful completion of the Global Programme, students are typically guaranteed admission to the foreign university's undergraduate or graduate programs, provided they meet the academic and language requirements. This can be a great option for students who may not meet the university's admission requirements on their own, but who are otherwise qualified and motivated to succeed in their academic studies.

- The Global Program can get the student a world recognised bachelor's degree.
- Partnering more than 50 Foreign Institutions
- GLS University's Immersion Programmes can provide students an exposure to foreign education in very short span.
- Student can become an Internationally Accepted Employee.
- Lucrative Scholarship Opportunities
- Students can save huge amount on their first year's studies and the living cost of foreign land as it takes place in India.
- Hand-on preparation of English Proficiency and Paperwork for immigration
