# Gujarat Law Society

Gujarat Law Society has been in the field of education for over a period of eight decades and is considered as one of the largest and most renowned destinations for education in Gujarat. The Society stands as a synonym for contemporary education in the region with its state-of-the-art infrastructure. Visionaries and luminaries such as Sardar Vallabhbhai Patel, Shri Ganesh Mavlankar and Sheth Shri Kasturbhai Lalbhai were the first to set lofty standards of excellence in education at the Society.

Beginning from a single law college in 1927, which was nurtured, among others, by Shri I.M. Nanavati, today Gujarat Law Society has burgeoned into a mammoth Trust that manages 30 institutions offering courses in multiple disciplines imparting quality education at four campuses in Ahmedabad. At present there are over 24,000 students at the campus who are assisted in meticulously crafting their careers and leading them to the path of success. Gujarat Law Society has a particularly extensive alumni group too which echoes the values that it has imparted, right since its inception. Being a part of some of the most distinguished corporates across the globe, these members of the Society's alumni have carved out a niche identity for themselves, that of being responsible, pragmatic and proactive.

What has not changed over these years is the steadfast resolve to always 'aim higher' and the motto of 'Excellence in Education'. With this in view, the Gujarat Law Society (GLS) has now promoted and sponsored the "GLS University".
