GLS UNIVERSITY

GLS University is a statutory state private university established by an Act of Gujarat State Assembly. Headed by Shri Sudhirbhai Nanavati, GLS University has been established with the objective of providing an ideal and creative learning environment and continuing the tradition of excellence in education of the sponsoring body of the University, viz., Gujarat Law Society (GLS). The university is all set to initiate various innovative programmes in diverse areas of Management, Information Technology, Communications, Social Sciences, Commerce etc. Besides the existing B.Com., B.Com. (Hons.), M.Com., BBA, MBA, BCA and MCA programmes, GLSU has also introduced B. Design, M. Design, IMBA and IMSc (IT). GLSU's strong research focus is reflected in its research degrees such as M.Phil. and Ph.D. GLS and GLSU have promoted its incubator LEAF, supported by Department of Science and Technology, Government of India. With a rich legacy of nine decades and a passionate commitment to excellence in education, GLS University is poised to become Gujarat's first globally relevant university delivering high quality education at affordable cost.

FACULTY OF COMMERCE

B.Com. (Hons.) Three Years (Six Semesters) Degree Programme of 144 credits

GLS University's Faculty of Commerce - SMPIC (Estd. 1999) imparts 3 Years Undergraduate (B.Com Hons.) and 2 Years Post Graduate (M.Com) programmes. The institute is NAAC accredited and acclaimed as 'Asia's Most Trusted Brand 2016' in the Education sector and 'Asia's Education Award 2019 by IBC USA. Faculty of Commerce is fortunate to have learned and dedicated faculty members, each of them having doctorate (Ph.D.) degree and possessing additional professional qualifications like CA, CMA etc.

From the President's Desk

Dear Prospective Student,

Greetings from GLS University!

At GLS University, we believe that it is not a crisis, but our response to it that defines us.

The COVID-19 global pandemic represents the most serious public health challenge that our country and the world have faced in a century. At the outset, I would like to take this opportunity to thank all the doctors, nurses, technicians, pharmacists, sanitation workers, emergency services workers, teachers, and everyone who is rising to the occasion and caring for our society at large. Your dedication, commitment, and courage deserve our deepest gratitude and admiration. Your service to our society is touching countless lives and making thousands of differences.

GLS University has been working tirelessly not only to help mitigate the effects of this crisis on the university community but also to alleviate the suffering of the most vulnerable members of society.

Our constant concern from the beginning of the crisis has been the health, welfare, and safety of the entire GLS University community. Apart from taking the precautionary steps to curb the spread of the virus, we have successfully completed our vaccination drive and more than 500 staff members of GLS University have been duly vaccinated. As even the darkest night ends with the crack of dawn, we are hopeful that the measures taken will lead us through these difficult times and take us forward to a better future.

To this end, we have also taken a number of significant operational decisions. Whilst we all are adapting to new norms of maintaining social distancing; GLS University is investing heavily into world-class ONLINE platforms and Learning Technologies that will ensure that the education delivery continues uninterrupted. This initiative would put our university at par with the leading global universities that have adopted high-tech educational innovations enabling us in doing all academic tasks ONLINE such as:

- 1) **Conduct and Record Online Virtual Video Lectures**
- 2) **Arranging Online Exams, Presentations, Quizzes and Assignments**
- 3) **Enabling Online Group or Collaborative work**
- 4) **Online Query resolution**
- 5) **Online Grading, Feedback, and Announcement of Results**

GLS University and on behalf of my staff members, we ensure a smooth educational journey during your programme tenure at GLS University.

As one of the most respected and long-standing institutions in Gujarat, GLS University has taken its responsibility very seriously. From contributing to the CM's Relief Fund, a comprehensive student benefit scheme/ scholarship for all deserving and needy students to reduce their financial hardship, special scholarship for COVID-19 affected students, GLS University is doing its bit in line with our motto of **"Learn, Love, Serve"**.

While there is still a lot of uncertainty about the coming months, our plans for the next academic year are based on two principles that remain completely certain:

- 1) First and foremost, to protect the health of our students to the best extent possible
- 2) To provide all of our students with an excellent academic experience

I want to provide a strong assurance that we shall be doing everything possible to safeguard the health of our community through the fulfillment of all norms & safeguards at our campus and to maintain our high standards of excellence in teaching and learning.

No matter what, we are committed to educating all of our students in the upcoming new academic year, in VIRTUAL classrooms, and beyond the classroom. We are committed to a safe and enriching educational experience. We are committed to you.

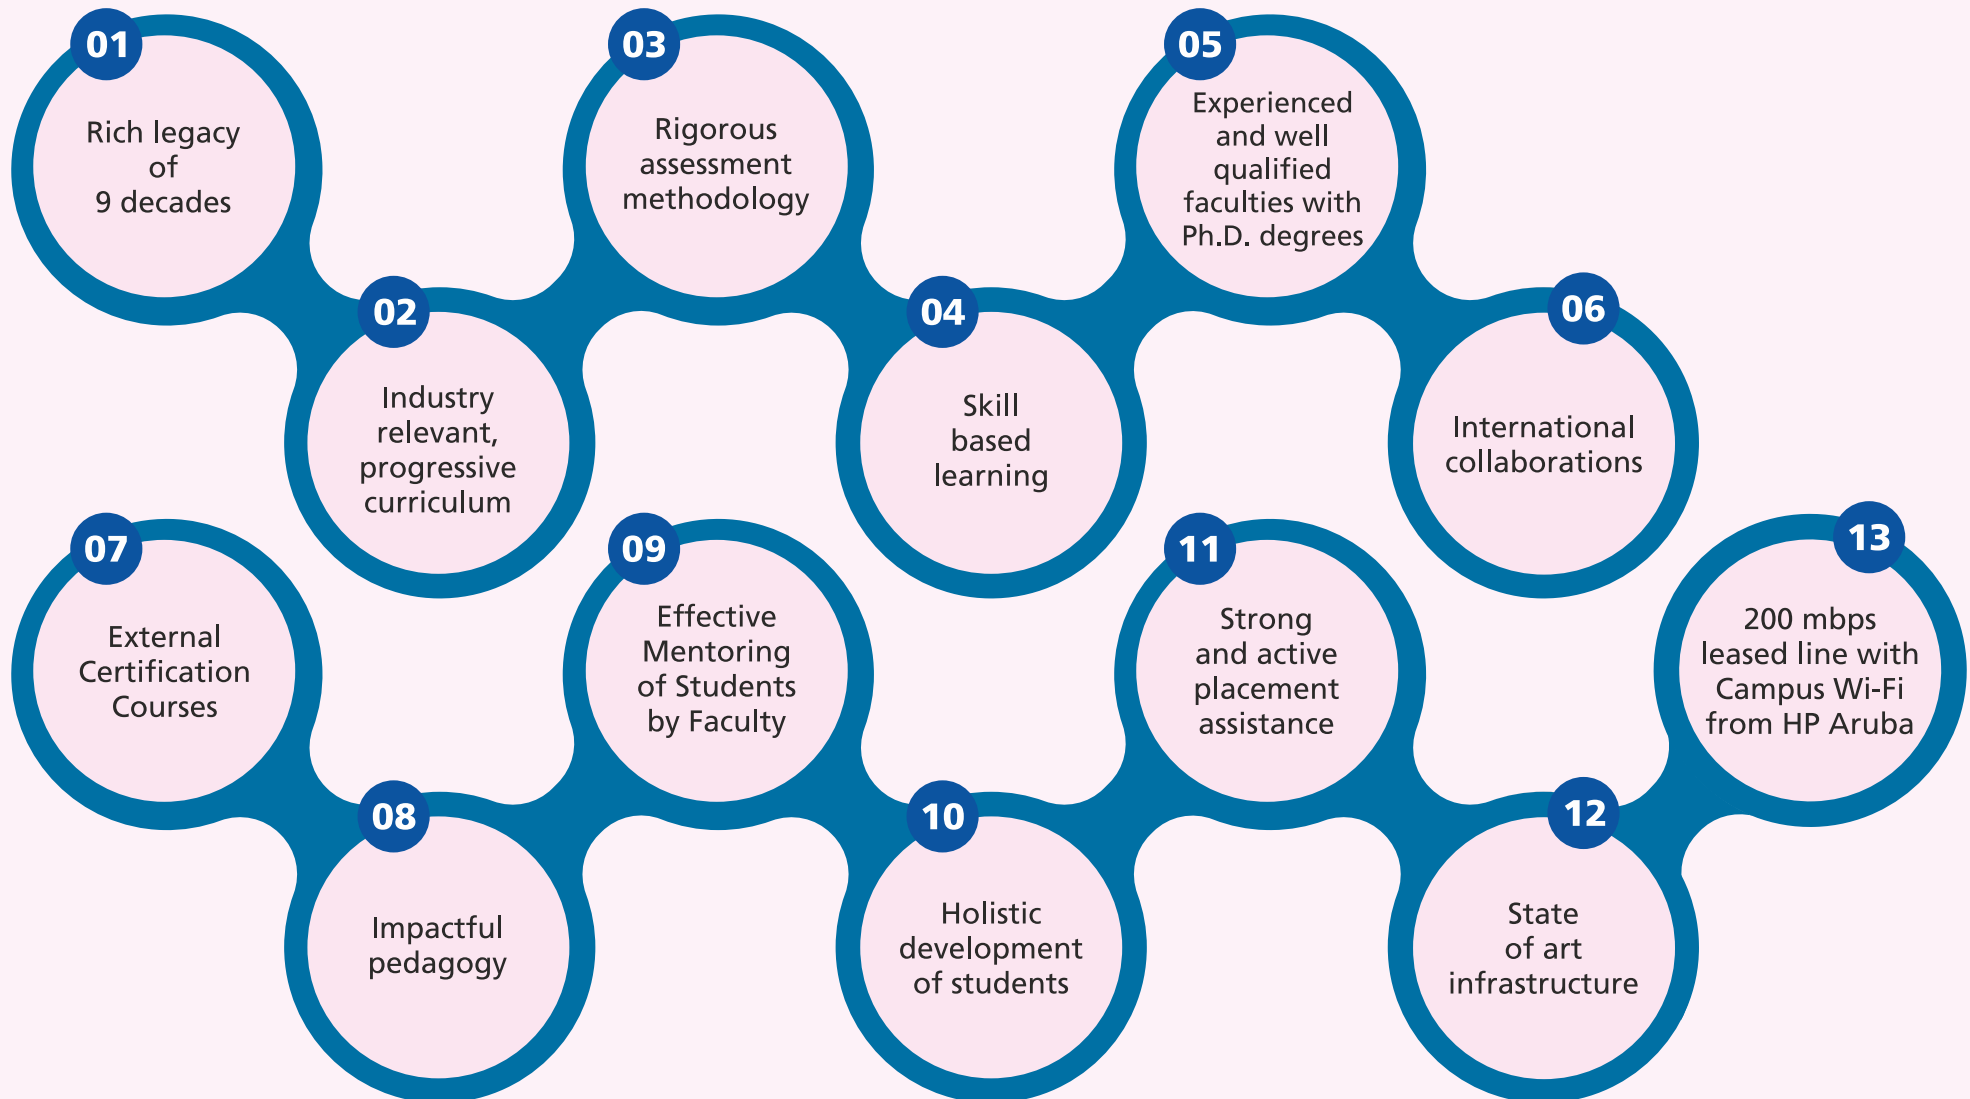

Sudhir Nanavati

President
GLS University

Skill Enhanced Diploma Programmes @ GLS University:

GLS University proudly offers series of skill enhanced Diploma Programs for their undergraduate students along with their conventional graduation programme. The following programmes equip the students for their career progression & enhancements:

Diploma Programme in Strategic Management and HRM for Business Excellence

Strategic management provides overall direction to an organization and involves specifying the organization's objectives, developing policies and plans to achieve those objectives. It is important for the organizations to formulate and implement major goals and initiatives based on consideration of resources and an assessment of the internal and external environments in which the organization operates.

Companies are building smart strategies with quick, flawless execution. To deliver the same consistently, they need a talent pool. HR professionals have a unique perspective of on the businesses they work for. They become central to the company's functions by getting the right talent at the right time. It not only helps you work on the theory but also enables you to discover your own style of managing people. In entirety, it ties up with the overall organizational strategy and purpose.

Objectives of the Program :

- To develop a strategically conceptual and analytical thought processes.
- To create an understanding of adapting the organization to its business environment.
- To create an understanding of the importance of HR as a strategic partner.
- To develop an insight of how the traditional HR functions have now to be aligned with Corporate Strategies to provide competitive advantage to the Organization.

Diploma Programme in Small Enterprise Management

We all live in a VUCA world, and in the present time entrepreneurship is the critical factor needed to not just stabilize and grow the economy but also sustain the humankind on this planet. This program intends to equip students with a basic tool kit to develop their entrepreneurial potential and benefit them in their preferred pursuits of starting a new business or develop an innovative project within an organisation.

Objectives of the Program :

- To develop entrepreneurs by inculcating and nurturing entrepreneurial skills and capabilities.
- To develop an Intrapreneurial approach within the organization.
- To work on the human potential to convert capacities into capabilities.
- To deepen and Update their business knowledge, understanding and practice.

Diploma Programme in Business with International Foundation

The world is now a global economy. It is imperative for the present day youth to have global context of business and have insights into the logistics of international trade and cross-border investments as well as the cultural and ethical issues that are imbued in the practice of business around the world. This course shall help you approach and solve business challenges from an altogether new perspective. These skills are increasingly valuable to employers faced with the challenge of opening and integrating multiple markets and achieving cohesion and collegiality in increasingly diverse workforces.

Objectives of the Program:

- Developing a deeper understanding in one's subject area and the ability to present, access and analyze relevant information to make reasoned and calculated business decisions.
- Learning the optimal usage of digital technologies to enhance personal and professional skills
- Work collaboratively in cross-cultural situations and develop intercultural awareness, understanding and competence.

Award of Certificate:

Students who successfully complete and pass the modules stipulated in the programme structure will be awarded two certificates from GLS University and Partner University.

Partner Universities:
